Jersey Boys is the Tony®, Grammy® and Olivier Award-winning Best Musical about Rock and Roll Hall of Famers Frankie Valli and the Four Seasons. The musical chronicles the lives of a group of blue-collar boys from the wrong side of the tracks who became one of the biggest American pop music sensations of all time. These Rock and Roll Hall of Famers are one of the greatest successes in pop music history. They wrote their own songs, invented their own sounds and sold 175 million records worldwide – all before they were thirty. Part concert, part jukebox musical, Jersey Boys won four 2006 Tony Awards, including one for best musical. This show was a runaway smash-hit on Broadway. It takes you up the charts, across the country and behind the music. Discover the secrets of how they worked their way from the streets of Newark, NJ to the heights of stardom. Experience electrifying performances of the golden greats that took them to the top; "Sherry", "Big Girls Don't Cry", "Can't Take My Eyes Off You", "Dawn", "My Eyes Adored You", and more. The show is fast-moving, musically exuberant and very funny. The energy is unstoppable. With more show-stopping hit songs than any other show, it's impossible not to love Jersey Boys.
